Longniddry & Blindwells Community Council Meeting

wpc1927@googlemail.com

Date of Meeting: – Monday, 23 February 2026

Foreword on behalf PC Frances Stevenson

On 25/01, Police received a report of an off-road bike, travelling towards Longniddry on the pavement of the A198 near Seton Mains.

Police received a further report on 07/02, of an off-road bike, riding within the pedestrianised area near to Marigotta.

I am content these two reports are the same bike and are most likely attending an address in the Longniddry area.

The only incident of note for the Blindwells area is in relation to a stolen vehicle being recovered. I would encourage the continuous reporting of all suspicious activity.

Information can be shared by contacting 101 or via Contact Us on the Police Scotland website. This can also be reported anonymously via crime stoppers on 0800 555 111 or via the national crime stoppers website.

Between 20 January and 23 February 2026, there were 21 calls to the Longniddry area. This resulted in the police recording 8 crimes. There were 15 calls to the Blindwells area, resulting in 4 crimes being recorded.
